PRESS RELEASE

Buy a Book Campaign

This year the Humboldt Library Foundation's 'Buy A Book' campaign has targeted the Children's non-fiction collection. While story-books, chapter books and fiction for children are chock full with new and timeless titles, the non-fiction is out of date and woefully inadequate!

Non-Fiction Children's Collection, What's Possible!

- New maps, new geography, explore the ocean floor or the highest peak. Kids are naturally curious and with new materials we can foster even more.
- Know a child crazy about space travel, the universe, why stars shine in the night? New books will spark the curiosity of the youngest.
- Dinosaurs fascinate, reptiles intrigue or is it bugs under rocks that interest your youngster? New interactive and colorful materials will provide a greater understanding of the world around us.

Did You Know?

- The library circulated over 667,000 items last year.
- There are currently 98,856 library cardholders in Humboldt County; 18,507 are held by youth.
