## **“Humboldt Library Foundation Releases 2017 Bookmarks”**

The Humboldt Library Foundation has released the newest three in their series of artistic bookmarks. This year's bookmarks feature images by local students that participated in the Arcata Marsh and Redwood Region Audubon Society's 13<sup>th</sup> Annual Student Bird Art Contest at Godwit Days. The featured artists are Greensleeves Center for Education student Niniane Holland's *Red-Breasted Nuthatches*, Pacific Union School student Layla Marshall's *American Crow*, and Dow's Prairie School student Kaylani Kelly's *Pileated Woodpecker*.

The HLF bookmarks are available at any Humboldt County Library branch and are created to promote the HLF Buy a Book Campaign. This year's campaign will be focusing on purchasing books for the Non-Fiction Children's Collection and will include books on topics from geography and maps to space travel and dinosaurs.
