Meet the Current Humboldt Library Foundation Board of Directors

The Humboldt Library Foundation Board of Directors works to raise funds in the community to support and enhance library services. HLF has contributed \$1.2 million to the library over a twenty-three-year period. The funds have helped to grow the collection, upgrade technology and support programming

HLF was established in 1996 to support public libraries in Humboldt County. The library system includes 11 branches and a bookmobile, which serves 14 outlying communities. HLF raises funds across the county in a variety of ways, including the popular Buy a Book series, its' Annual Holiday Gala, the HLF Legacy Circle, the Board of Sponsors program and gifts made in memory and honor of a loved one.

"Maintaining library services is more challenging today than ever before," said Elizabeth Murguia, HLF Board President. "In Humboldt County, over 100,000 residents are active library cardholders, they want more books to check-out, reference questions answered, more kids programming and open hours. And if you need access to the public computers in your branch, get in line."
